General Instructions

CORPORATIONS REQUIRED TO FILE A NEW MEXICO CORPORATE INCOME AND FRANCHISE TAX RETURN

Every entity having income derived from activities or sources within New Mexico which is required to file a Federal Corporation Income Tax Return or equivalent return must file a New Mexico Corporate Income and Franchise Tax Return. These include:

- all corporations organized under the laws of the state of New Mexico (whether they have New Mexico income or not);
- out-of-state corporations which derive income from any business transactions, property or employment in this state;
- corporations exempt from federal income tax under the Internal Revenue Code which have unrelated business income; and
- all other business entities that are required or elect to file a federal corporate income tax return, including partnerships and limited liability companies treated as corporations by the Internal Revenue Service.

EXCEPTION: Insurance companies and reciprocal or interinsurance exchanges which pay a premium tax to New Mexico are not required to file a New Mexico Corporate Income and Franchise Tax Return.

CORPORATIONS REQUIRED TO PAY THE NEW MEXICO FRANCHISE TAX

All corporations engaging in business in New Mexico and every domestic or foreign corporation having or exercising its corporate franchise in this state, **whether actively engaged in business or not**, must file a New Mexico Corporate Income and Franchise Tax Return and pay the \$50.00 franchise tax, even if no income tax is due.

The only exceptions are:

- corporations exempt from federal income tax under the Internal Revenue Code which have no unrelated business income; and
- insurance companies and reciprocal or inter-insurance exchanges which pay a premium tax to New Mexico.

WHO MAY USE THIS FORM

A corporation may use this form if it operates only in New Mexico, files on a separate corporate entity basis and does not:

- (1) allocate or apportion income to other states; or
- (2) claim deductions from income arising from
 - (a) net operating losses;
 - (b) U.S. obligations; or
 - (c) New Mexico government obligations.

In addition, corporations which owe only franchise tax to New Mexico may use the Form CIT-EZ.

WHICH RETURN TO FILE

CIT-EZ: (1) Corporations filing on a separate corporate entity basis, deriving all their income from New Mexico and who claim no credits, NOL carryforward or income from U.S. government obligations or municipal bonds; (2) corporations which have no nexus or are subject to a franchise tax only. The CIT-EZ can NOT be used to amend your New Mexico Corporate Income Tax Return.

CIT-2: Corporations electing to be taxed as "S" corporations for federal income tax purposes must file a New Mexico Income and Franchise Tax Return for "S" Corporations (CIT-2) and may not file a CIT-1 or CIT-EZ.

CIT-1: All other corporations except those filing CIT-2 or CIT-EZ. Amendments to previously filed CIT-1 or CIT-EZ must be filed on a CIT-1.

FISCAL YEAR TAXPAYERS must file a 1996 return for fiscal years beginning in 1996 and ending in 1997.

REQUIRED ATTACHMENTS TO CIT-EZ

Required Attachments. A copy of page 1 **ONLY** from federal form 1120 (or the equivalent being filed) must be attached for your return to be considered completed.

If applicable, an automatic or approved federal or New Mexico extension of time to file must be attached.

PAYMENT OF THE CORPORATE INCOME AND FRANCHISE TAX

Please do not mail cash to pay the corporate income and franchise taxes. Make your check or money order payable to the Taxation and Revenue Department and mail the return, attachments and payment to:

Taxation and Revenue Department P.O. Box 25127 Santa Fe, New Mexico 87504-5127

To avoid misapplication of funds, write "1996 CIT-EZ" and your New Mexico CRS Identification Number on the check or money order.

A check that is not paid by the financial institution on which it is drawn does not constitute payment. The corporation will be assessed a minimum penalty of \$20 in addition to any other applicable penalties and interest.

DUE DATE

For corporations that file on a calendar year basis, the New Mexico Corporate Income and Franchise Tax Return is due on or before March 17, 1997 together with payment of taxes due.

For corporations that file on a fiscal year basis, the New Mexico Corporate Income and Franchise Tax Return is due on or before the 15th day of the third month following the close of the fiscal year, together with payment of taxes due.

EXTENSION OF TIME TO FILE

The Taxation and Revenue Department accepts an extension of time granted by the Internal Revenue Service if a copy of the automatic or approved federal extension accompanies the CIT-EZ at the time of filing.

If the corporation needs an extension of time to file the New

Mexico Corporate Income and Franchise Tax Return but has not obtained a federal extension, or if additional time to file the New Mexico return is needed beyond the federal extension date, the corporation should request an extension by letter or by filing New Mexico Form RP-27, Extension of Time to File, on or before the due date of the return.

INTEREST AND PENALTIES

If the corporation does not file or pay its New Mexico corporate income or franchise tax when due, interest is assessed at the rate of 15% per year, or 1-1/4% per month or any portion of a month, on the amount of tax due.

Interest accrues even if the corporation obtains an extension of time to file a return.

In addition, if a return is not filed or tax remains unpaid when due because of negligence or disregard of rules or regulations, but without intent to defraud, the corporation is liable for a penalty of 2% per month or partial month from the date the return was due, not to exceed 10% of the amount of tax due or a minimum of \$5.00, whichever is greater. The penalty does not apply if there is an extension of time and the tax is paid by the extended due date.

ESTIMATED CORPORATE TAX PAYMENTS

Every corporation must pay estimated corporate income tax if the corporation reasonably expects its tax liability for the taxable year will be \$5,000 or more. Form CIT-8 is used for making estimated payments. See instructions for preparing the CIT-8 on page 4.

TENTATIVE PAYMENTS

Tentative payments can be made by completing a CIT-T1. Corporations that are not required to make estimated payments may make tentative payments on or before the 15th day of the third month following the close of the taxable year to prevent the accrual of interest on any unpaid tax.

AMENDED RETURNS

Submit amended returns on a Form CIT-1 ONLY. DO NOT use the Form CIT-EZ. See the instructions in the CIT-1 package for the year being amended for additional guidelines on preparing and filing an amended return.

LINE INSTRUCTIONS FOR COMPLETING THE CORPORATE INCOME AND FRANCHISE TAX RETURN

FORM CIT-EZ

Computerized schedules will NOT be accepted in lieu of completing line items. All applicable line items on the

Form CIT-EZ must be completed for the return to be processed.

Enter the following information in the appropriate areas of the Form CIT-EZ:

- Type or print the corporation's registered name, address and zip code in the space provided. Verify the accuracy of any preprinted information and correct if necessary.
- Enter the corporation's New Mexico CRS Identification Number, Federal Employer Identification Number (FEIN) and New Mexico State Corporation Commission Number. If the corporation does not have a New Mexico CRS Identification Number, an application for a New Mexico CRS Identification Number, Form RP-31, Application for Registration, must accompany the tax return when filed.
- Fiscal year or short year filers should enter the beginning and ending dates (month and year only). No entry is required for calendar year filers.
- If the due date has been extended, write in the extended due date. A copy of the extension must be attached to the return.
- Enter the appropriate SIC code from the list on page 6.

NOTE: References to federal form line numbers correspond to the most recent federal forms as of the date of this printing. If the references do not correspond to the federal form, the correct line from the federal form for the item described should be used.

NOTE: All dollar amounts should be rounded to the nearest whole dollar.

Lines 1 and 3 through 5 do not need to be completed if the corporation is subject only to the franchise tax.

LINE 5. CORPORATE INCOME TAX RATES

If net income is:	The tax shall be:
Not over \$500,000	4.8% of taxable income
Over \$500,000 but not over \$1,000,000	\$24,000 plus 6.4% of the excess over \$500,000
Over\$1,000,000	\$56,000 plus 7.6% of the excess over \$1,000,000

LINE 6. Franchise Tax. Every domestic or foreign corporation must pay a franchise tax of \$50 if it:

- 1. transacts business in, into or from New Mexico;
- 2. derives income from any property or employment within this state;

- has or exercises its corporate franchise in New Mexico, whether engaged in active business or not;
- 4. is an otherwise tax-exempt corporation with unrelated business income.

The \$50 franchise tax is due for each tax year, including short years. The franchise tax may not be pro-rated based on a short year return.

Corporations that are exempt from federal income tax, such as homeowners associations and 501(c)(3) organizations, are subject to the franchise tax if the corporation has unrelated business income. Insurance companies and reciprocal or inter-insurance exchanges which pay a premium tax to New Mexico are exempt from franchise tax. Corporations taxed as "S" corporations are not exempt from franchise tax.

REMINDER: It is your responsibility to comply with all additional filing requirements imposed by the State Corporation Commission.

LINE 8. Enter the total amount of all tentative and estimated tax payments as well as any amounts applied from the prior year. Check the appropriate box(es) to indicate the source of the payments.

LINE 9A. All or part of an overpayment on an original return may be applied to the 1997 liability.

LINE 11. A penalty of 2% per month or partial month, not to exceed 10% of the tax due or a minimum of \$5.00, whichever is greater, must be added if the corporation fails to timely file any required return or to pay when due any amount of tax required. Calculate this penalty by multiplying the amount on line 10, CIT-EZ, by 2% times the number of months (including any partial month as a full month) past the due date or extended due date.

LINE 12. Add interest if the amount of tax due on line 7 was not paid by the original due date, **even if an extension of time to file was obtained.** The interest rate is 15% per year or 1-1/4% per month (or partial month) based on the amount of tax due on line 10, CIT-EZ.

SIGNATURE. The return must be signed and dated by an officer of the corporation. Any person, other than an employee of the corporation, preparing the return for compensation must also sign the return on the line provided and indicate the preparer's identification number, address, telephone number and the date signed.

A signature stamp does not constitute a valid signature. An improperly signed or unsigned return will be considered invalid for filing purposes, and penalty and interest may be assessed.

AFTER YOU FILE YOUR RETURN

If your return shows an overpayment and you have requested that all or a portion of the overpayment be refunded to you, please allow at least 10 weeks for processing before contacting the Department. Processing time will vary according to when you file your return. Occasionally, computation errors in a tax return will delay processing or result in adjustments to your refund or the amount you owe. If you disagree with any adjustment made by the Department, you should follow the procedures in Publication FYI-402.

At any time after filing your return, the return may be subject to further review, verification or correction. The State of New Mexico, pursuant to reciprocal information exchange agreements, exchanges information with the Internal Revenue Service, certain other state agencies and taxing authorities in other states. If your tax return is adjusted or an assessment of additional tax is issued, you will be provided a copy of Taxpayer Remedies outlining your rights and obligations under the Tax Administration Act. Our Publication FYI-402, "Taxpayer Remedies", describes in detail how to dispute an adjustment or assessment made by the Department through either the Claim for Refund procedure or the Protest procedure. Publication FYI-402 is available by contacting the Taxation and Revenue Department Taxpayer Information Office at (505) 827-0909.

ESTIMATED CORPORATE INCOME TAX, FORM CIT-8

WHO MUST FILE -- Every corporation subject to the Corporate Income Tax is required to pay estimated corporate income tax if the corporation reasonably expects its tax liability for the taxable year will be \$5,000 or more. To avoid penalty or interest for underpayment of estimated tax, either 80% of the current year's tax liability (METHOD 1) OR the greater of \$5,000 or 100% of the previous year's tax liability (METHOD 2) must be paid in four equal tax payments. Penalty at the rate of 2% per month (maximum 10%) and interest at the rate of 1-1/4% per month (15% per annum) will be imposed on any amount not paid when due.
